More on Hotel Reservations

Making registrations easy and free of confusion or error has been always been my goal but there always seems to be glitches that occur. This year I hope to provide you with methods that are non-fail. If you read this carefully there should be no problem but if there is you know how to get in touch with me or will by reading the last paragraph.

If you have a computer and are looking on this in the website, you can go to the hyperlink [Destroyer USS Orleck DD 886 Association](#) and you will be directed to the Holiday Inn website reservation page and you can book on-line. You will notice that the group name(ORL) has been embedded in the link and it will automatically populate the USS ORLECK group and our special rate of \$89 per night. It is very easy to use but you must stay within the date guidelines or you will get some unusual messages that might make you believe there are no rooms available. You can enter the dates of June 21 as arrival or up to 3 days before that (June 18, 19 or 20) and you can enter the date of departure as June 24 or up to 3 days after that (June 25, 26 or 27).

If you are looking at this sheet and want to go on your computer and register go to <http://www.holidayinn.com/hotels/us/en/erlanger/cvgap/hoteldetail?groupCode-ORL> and follow the instructions as above. Make sure to put ORL in the group field if it is not already populated as such to get the special price of \$89 per night.

If you go on-line any other way, make sure that you put ORL in the group field or you will not be given the \$89 per night rate.

If you prefer to call in and talk to a live person, do not connect with a Holiday Inn National line that you might get elsewhere. You will have fewer problems if you follow these instructions carefully. First of all, if you want to talk to Molly who I had the pleasure of working with call her number or e-mail her at the address you see on the other side of this page. If you just want to call reservations and make your reservation call 1-859-371-2233 and ask for house reservations right at the hotel. Again, if doing it this way make sure you give them our ORLECK group code of "ORL".

If you have decided to e-mail Molly at her above e-mail address with your request for reservations make sure that you include your full name, group name (ORL), Check In Date, Check Out Date, Phone Number for contact, e-mail address to send confirmation and Credit Card Number to hold the room.

Don't forget that you still have to register for the events with me and there is a form for that enclosed or on-line at <http://www.ussorleck.com> in the reunion section.

If you have any problems whatsoever in making your reservation, call Bob Orleck at 1-802-728-9806 and make sure that you reach him personally to discuss your problem. If you do get a message machine, leave your message but if you do not hear back within a day, call again.
