

USS Orleck DD886 Association 2018 Norfolk/Virginia Beach Schedule April 26th, 27th & 28th, 2018 Plan of the day

**TENTATIVE-this plan will have minor changes so please do not copy this and bring it with you.
A new copy will be provided at the reunion that will be the most current.**

Go to the Reunion Information at www.ussorleck.com if you can for detailed discussion of this plan and other valuable details. If you have no way to check the website, that is OK. You will learn of all things well in advance of doing them. Your plan-of-the-day below gives you a complete idea of exactly what you will be doing.

Monday, April 23, 2018-Wednesday, April 25, 2018 thru the day

Those flying to our reunion and requiring a ride from the airport to the [Wyndham Oceanside Hotel](http://www.wyndhamoceanside.com) should go to <https://www.orangepeeltransportation.com/reservation/> to register for that transport. This service is provided as a part of your registration payment but only if you provide the needed information as soon as possible so that we will get the most economical grouping of riders. If you arrive without having registered, the cost of transportation will be yours to pay.

On the day following the day you register at the hotel and each day till the end of your stay, you will receive a breakfast, either in a group setting or when that is not the case, by vouchers you will use in the restaurant to get a plated breakfast. The voucher has a \$10 limit each so any orders more than \$10 will be your responsibility. When you check in, make sure you have sufficient vouchers for each day you are registered. Each person will need a voucher for each day they are registered to stay except that you will not get vouchers for Saturday and Sunday, since those are buffet breakfasts for our business meeting and church service.

Thursday, April 26, 2018

Morning	Breakfast for those having arrived prior to April 26 th
