

John Barrios

Whereas John Barrios is a USS ORLECK sailor having proudly and honorably served aboard USS ORLECK DD 886 from 1970-73 during the Vietnam War; and

Whereas John served as Destroyer USS ORLECK Association's historian and spearheaded work on the Deck Log Project that all can now access at <http://www.ussorleck.com>; and

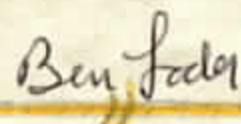

Whereas John with Sandy's help, after the death of coordinator Gary Peters, continued the work that spanned seven years, involved twenty one transcribers and others gathering the thirty seven years of deck log history for our ship, having them typed into a searchable format; and

Whereas the Deck Log Project represents the most energetic, helpful and unique of projects ever undertaken and completed by a reunion organization; and

Whereas John years ago also worked to scan the seven USS ORLECK cruise books that now with the help of modern technology will be premiered on-line at this San Diego reunion; and

BE IT RESOLVED to give our sincere thanks to John for his work on the above mentioned projects and suggest that this resolution be personally presented to him as soon as possible.
